**Institute for Sociology, Psychology and Social Communications** of the National Pedagogical Dragomanov University (Kyiv, Ukraine) was established in 2007 and today is successfully functioning and developing. The Institute prepares the specialists in the following directions and specialties: sociology (“sociology of education”, “social communications”, “evaluation of the scientific/educational programs”); psychology (“psychology of consultation”, “social psychology and psychotherapy”, “political psychology”). In 2009 the scientific journal “International

Scientific Forum: Sociology, Psychology, Pedagogy, Management” was founded. At the Institute the Ukrainian-Polish Center “European Studies”, Center of “Ethnoglobistics”, Center of “Television and Public Communication” are created, as well as the establishment of sociological and psychological laboratories, the work of which will be the basis of “Social-Psychological Center” of the Institute, is planned. The postgraduate study on psychological sciences (“Age and Pedagogical Psychology”) and sociological sciences (“Special and Branch Sociologies”) is available.
